

Nonstop Travel

April 2012

Mississippi River Cruise

Dear Chris,

In April of 2012 after millions of dollars in improvements, the 5 Star grand AMERICAN QUEEN will resume her proud role of taking guests on these historic Steam-boating adventures. We blocked cabins on their second voyage from April 19 - 27, 2012 - 8 nights from New Orleans to Memphis. The Theme features the 'Southern Culture' with the literature, music, cuisine and culture of the American South. Nonstop Travel owners Klaus and Lisa Schmitt would be happy to welcome you in person aboard the 'Queen'.

But now comes the best part: We were able to block several cabins in different categories during their inaugural month of April and this is what's included:

- 2 nights before the cruise in New Orleans in a luxury hotel with sightseeing and transfers to the ship
- 1 night in Memphis at the Westin Hotel on famous Beal Street (how about visiting Graceland?) incl. transfers from the ship
- All sightseeing shore excursions during the cruise (famous Oak Alley, Natchez, Vicksburg, etc.)
- Complimentary premium beers and wine with dinner
- The acclaimed cuisine of famed American Chef Regina Charboneau
- Afternoon tea and moonlight late night suppers (if you want to of course)
- Specialty dining options all at no additional charge
- Complimentary bottled water and soft drinks throughout your voyage

- Staterooms feature gourmet Starbucks coffee brewers
- Nightly dancing to swing, big band and Dixieland jazz music
- The Nonstop Travel Anniversary surprise

Group Rates per person start at \$2845 and go up all the way to \$5995 for a suite (plus port charges of \$ 109 and airline tickets). To receive the 2 nights New Orleans special you need to book before December 28, 2012.

Deposit is \$ 350 per person within the next 7 days. Balance due before 1/19/2012. Should you decide to cancel before 1/19 there is a \$200 cancellation fee (more after that date).

We know this is a rather short notice but we thought the deal is just too good to pass it up. These are small ships and space will go fast.

This would also be a wonderful Christmas surprise for your significant other.

Happy Holidays,

Your Nonstop Travel Team
